

Region 10 First Annual Nutrients Roundtable Agenda

March 4th, 2015, 10AM-3:30PM PST

(b) (6)

(b) (6)

Research and tools to support nutrient problem assessment – 10AM-12:40

10AM-10:10 Introductions and Logistics

10:10-10:30 US EPA Nutrient Enrichment and Stream Indicators National Workshop Proceedings, Brannon Walsh, EPA Office of Science and Technology

10:30-10:50 USGS –2015 NAWQA study in the PNW, Mark Munn, USGS

10:50-11:10 WA ECY – Retrospective Analysis of 20-year Sampling Program- Christopher Krembs, WA ECY

11:10-11:30 Bio Earth Overview–Will Forney, and others TBD, WSU

11:30-11:50 Neil Harrington, Jamestown S’Klallam Tribe, Harmful Algal Bloom Dynamics in Sequim Bay

11:50-12:20 Ocean Acidification Research Roundup– University of Washington Ocean Acidification Center (TBD), Mindy Roberts, WA ECY, and Cheryl Brown, EPA Office of Research and Development in Newport, OR

12:20-12:40 –*Discussion*

12:40-1:15 *Break*

Data analysis to support decisionmaking, 1:15-3:30

1:15-1:35 NSTEPS in Idaho– Periphyton Nutrient Index Development for Wadeable Streams- Josh Schultz, Idaho DEQ and Ben Jessup, Tetrattech

1:35-1:55 NSTEPS in Oregon- Stressor-Response Relationships in OR Ecoregions, Dan Sobota and Shannon Hubler, OR DEQ; Jon Harcum and Mike Paul, Tetrattech

1:55-2:45 *Discussion: approaches and application of NSTEPS tools*

2:45-3:15 Quick updates on related work around the region – [quick presenters]

3:15-3:30 Wrap up and next steps –future webinars or technical support needs in R10

3:30 Adjourn

All are welcome to attend- please contact Rochelle Labiosa at Labiosa.rochelle@epa.gov or 206-553-1172 with any questions or reasonable accommodation requests
